Sacred Conversations: A Ministry of Spiritual Direction

Spiritual Direction helps a person of faith become more aware of God's presence and love, deepen one's relationship with God, experience new spiritual practices and learn to still the soul in the midst of a stressful world. Spiritual direction sessions are offered for individuals or for groups. Consider this wonderful faith practice this year. See our Spiritual Direction brochure or contact Buff Barnes for more information.

Wednesday Bible Study Schedule

All women of the church are encouraged to become part of a Bible Study group. Classes are offered at different times throughout the day so as to accommodate the variety of schedules of today's busy women. These groups are for ALL women no matter what your age, marital status, occupation, or Bible Study experience. Please consider making this a priority in your life.

"I wanted to get into God's word on a more regular basis, so I started looking into the Bible Studies offered by church. I started going to Word Before Work, even though I don't work outside the home. I was excited to get to know some of the women at church that I hadn't necessarily crossed paths with through youth programs. That was over 5 years ago and I am so grateful for this group of women who study God's word with me. We have prayed with and for each other during times of grief, confusion and celebration. It has deepened my relationship with God and our church."
-Janice Mack
