Wednesday Bible Study Schedule

All women of the church are encouraged to become part of a Bible study group. These classes provide the opportunity for women from all walks of life to become engaged in the study of God's Word, find ways in which this Word applies personally to them, share the fellowship of other Christian women and experience the joy of growing spiritually. Classes are offered at different times throughout the day so as to accommodate the variety of schedules of today's busy women. These groups are for ALL women no matter what your age, marital status, occupation, or Bible study experience. Please consider making this a priority in your life.

See the separate Women's Bible Study brochure for detailed information about each class.

Walking through scripture led by faithful, loving women seeking God's truth and promises in Women's Bible Study has shaped my spiritual journey in deep and profound ways. Women's Bible Study has been a safe place for me to grow in my knowledge and intimacy with Christ and make long lasting and fulfilling friendships with women in our church and community.
